Glanmire Community College (GCC) 2022/2023 School Year - Information for Parents

Dear Parents/Guardians,

Our preparations for the 2022/2023 school year are well underway and we wish to provide you with some important information which we hope will help you in planning for the next academic year. All up to date information will be available on our school website www.glanmirecc.ie. You are advised to visit the school website regularly to keep yourself informed.

Student Commitment

We ask all students and parents/guardians to give consideration to the following points before the start of the new school year in GCC:

1. Daily attendance at school is a requisite for high quality learning.
2. Being on time for school each day, and presenting in full uniform, which is neatly worn.
3. Showing respect and courtesy at all times towards your peers, your teachers and visitors to GCC.
4. Having high personal expectations and standards for your work, your classroom and your school.
5. Helping to develop a sense of pride in our school, as a place where your contribution is valued.
6. Having the drive, determination and ambition to achieve your goals.

As always, we look forward to seeing you all in late August. We especially look forward to welcoming our new cohort of 1st Year students to GCC and with schools operating normally we hope that the coming academic year provides an opportunity for our student learners to engage actively with their learning programmes. We wish you all a safe and enjoyable Summer!
