## Internet Safety Talk For Parents

Hosted by Avril Ronan, Global Programme Manager,  
Internet Safety for Kids and Families, Trend Micro

TUESDAY, FEBRUARY 7, 2023 | 7:30PM

**Our free Internet Safety resources including our kids Cyber Academy are here for you always:** <https://www.trendmicro.com/internet-safety/>

**About Trend Micro's Internet Safety for Kids and Families Program (ISKF)** Today's youth are exploring the internet and new technologies now more than ever. That's why Trend Micro is passionate about promoting and encouraging its benefits, possibilities, and most importantly, its safe use. Since 2008, Trend Micro's global ISKF has reached more than 3.1 million parents, educators, and youth worldwide. ISKF; a global initiative funded by Trend Micro delivers free internet safety sessions to schools, reaching students, parents, and educators everywhere, through its employee volunteers. The goal is simple: empower youth, parents, and teachers online, delivering educational programs where they're needed most. This includes a robust series of online programs and Top Tips for every age.

**About Trend Micro** Trend Micro, a global cybersecurity leader, helps make the world safe for exchanging digital information. Fuelled by decades of security expertise, global threat research, and continuous innovation, our cybersecurity platform protects hundreds of thousands of organizations and millions of individuals across clouds, networks, devices, and endpoints. As a leader in cloud and enterprise cybersecurity, our platform delivers a powerful range of advanced threat defence techniques optimized for environments like AWS, Microsoft, and Google, and central visibility for better, faster detection and response. With 7,000 employees across 65 countries, Trend Micro enables organizations to simplify and secure their connected world. TrendMicro.com
