

Dear All

The MTU Cork campus Access Service are running some information sessions on the HEAR and DARE 2024 application process this month.

DARE and HEAR offer reduced CAO points places and supports to eligible Leaving Certificate students with a learning difference, health condition or disability and/or to students whose economic or social background are underrepresented in higher education: www.accesscollege.ie

The sessions will go through the application process step by step, and also giving information on MTU supports.

We encourage any interested Leaving Certificate students and their parents/guardians/supporters, and/or education professionals to attend:
