**Subject: Permission Request for Library Membership – Account Options**

Dear Parents of 1<sup>st</sup> years,

We are excited to inform you about an opportunity to enhance your child's academic experience at our school through our 1<sup>st</sup> year **Library Membership Drive**. This week your child's My Brain & Me teacher will be distributing your child's library membership form.

**To grant permission, your 1st-year student, has two account options:**

**12-14 Young Adult Account:** This account restricts access to age-appropriate content suitable for 12-14-year-olds.

**12-14+ Adult Content Account:** This account allows access to all library materials, including content, which may be beneficial for research purposes.

To specify your preference, kindly mark the top right corner of the attached membership form with either "12-14" or "12-14+" before signing and returning it to your child's My Brain & Me teacher by **Friday 22<sup>nd</sup> March**. This will ensure that your child receives the appropriate library access.

Thank you for your support in enriching your child's educational journey.

Sincerely,

The Reading Initiative Team, GCC.
