

Have your say! Register to Vote!

Ireland's National Voter Registration Day is on Tuesday April 30th.

Get involved by making your school, centre or campus a place for people to come and register to vote.

Students can check if they are registered to vote on www.checktheregister.ie

- If they are not registered they just need their PPSN, date of birth and address to register online
- You don't need to be an Irish Citizen to vote in the local elections, you just need to be resident in Ireland.
- 16- and 17-year olds can pre-register

To learn more, students can complete the [Cork ETB Your Voice Counts online programme](#), which is also available in Irish, Ukrainian and Polish.

Adult Literacy and ESOL tutors can use Chapter 3 of the [Your Voice Counts Active Citizenship Tutor Handbook](#) to work with their class to support them to register to vote.
